Household Hazardous Waste Collections

Brewster | Chatham | Harwich

Why HHW collections matter

Some household products contain chemicals that are too toxic for the trash or drain. Household Hazardous Waste (HHW) collections provide a safe way for residents to dispose of these items and help protect Cape Cod's drinking water.

2026 Collection Schedule

Collections are held on Saturdays. Town residents participate for free. Proof of residency required. Non-residents must register in advance on website.

Collection locations: Harwich Transfer Station, 209 Queen Anne Rd.
