and HARWICH**

\*Small Business disposal accepted. See inside panel for info.

**LOVE YOUR LOCAL WATER.**  
**IT'S A CAPE COD THING.**

Household hazardous waste (HHW) collections protect our local drinking water. Most chemicals are too toxic to throw away in regular trash or dump down the drain, so FREE collections for residents are being held to take that waste off your hands and keep it out of our water supply.

Collections are open to town residents. We define residents as people who own a home, own a second home, are tenants, or landlords in the town. Proof of residency includes one of the following: license with in-town address, tax bill, or utility bill.

Not a resident? You can still participate for a fee. Visit our website for information.
